Dear Parents,

It is not too often you meet a real gentleman who has a World Welterweight ranking of No2. Today, Jeff Horn, Brisbane School Teacher and Professional Boxing Champion, spoke with our senior students. Jeff represented Australia as an Amateur Boxer at the 2012 Summer Olympics placing 5th and since has had 11 professional fights for 10 wins and one draw. His next opponent is the 11 times World Champion Manny Pacquiao from the Philippines. To date this will be his biggest challenge, but as he told our students he is up for the challenge. Jeff’s main message to the students was “If you’re nervous and unsure about something, keep persevering, don’t give up”. He found talking to groups of students very hard and with practice, he loves to meet groups of fans. Jeff shared his story and then fielded excellent questions from our students before signing some memorabilia for the school. A great experience meeting the “Hornet”.

Our children spend many hours engaged with technology to help them study and for social connection. All these gadgets emit a blue light that fools the brain into thinking it is still daytime. Because the brain needs 2-3 hours to wind down and prepare for sleep, switching off the laptop or tablet late at night and then hopping into bed means it will be much harder for your child to then fall asleep.

Today is Valentine’s Day - Feb 14. The Feast Day originated honouring one of the early saints - Valentinus and is recognised as a significant cultural and commercial celebration around the world. It has evolved into an occasion where cards, flowers and chocolates are exchanged to show love for another - Happy Valentine’s Day.

PARENTING TIP - Why Effective Learning Starts with a Good Night’s Sleep - Michael Grose

Sleep is an active phase of the learning process, which is why as parents the single most important thing we can do to help our kids be more effective learners is to ensure they get enough sleep.

During sleep the brain is very busy replaying the day’s activities extremely fast, picking out the key items it believes are most relevant for long-term storage in our memory banks, and tossing out the rest.

The amount of sleep children require varies with age and they require more sleep than adults. In primary school the recommendation is between 10 and 11 hours per night. The challenge is how to fit everything into the school day along with homework and extra curricular studies such as sport, music and drama, have enough down time to chill and relax, and get enough sleep.

Getting sufficient sleep ensures the brain is fully rested and refreshed to study more effectively. A tired brain finds it harder to concentrate, focus, remember or learn. Feeling grumpy or irritable doesn’t help either!

Sleep is essential to better brain health and performance, which is why getting enough sleep is never negotiable. For helpful tips to assist your young person to get enough sleep, go to parentingideas.com.au.

Last Friday we welcomed back Mark Thao to Year 5T. Mark survived a near drowning at the Cairns Esplanade two years ago. He has made great progress with his recovery and attends the Innisfail Diverse Learning Centre 3 days a week and will visit GCPS each Friday morning. See picture on page 3.

A **Reading from the Letter of Paul to the Ephesians...**

Jesus said to his disciples: “If you love only those people who love you, will God reward you for that?” Even tax collectors love their friends. If you greet only your friends, what’s so great about that? But you must always act like your Father in heaven.” The Gospel of the Lord.

Jesus wept as he saw this city. This city was called the “City of Judah”. Palm Sunday celebrates Jesus’ entry into this city.

U is for Understanding...Are you understanding?
Try to be understanding of others. You will be surprised how good it makes you feel.

In 1969, the Roman Catholic Church removed St Valentine from the General Roman Calendar, because so little is known about him. However, the church still recognizes him as a saint, listing him in the February 14 spot of Roman Martyrology.
