Dear Parents/Carers

In Term One, we canvas our parents for bus transport information relating to their student/s to enable us to update our database and ensure your child departs school as instructed.

Please find attached the current Bus routes for Good Counsel Primary School. Should your child/ren catch a bus from the Good Counsel College bus stop in the afternoon, we ask that you indicate the nominated route/days in the table on Page 2 of the attachment, noting your student's name, class and year level. If your child/ren happens to catch several buses throughout the week, please indicate all routes.

This form is relevant for any student who may catch a bus throughout the school year, whether it is regularly or only on occasion. If this applies to your family, please complete Page 2 and return as soon as possible to ADMIN.

Also, in anticipation of the upcoming wet season, we also ask parents to indicate **in an emergency situation such as localised flooding/cyclones etc** if you wish your child/ren to travel home by bus – indicated by permission form and BUS ROUTE "S" on Page 1.

If you do not indicate that they are to catch a bus in an emergency situation and sign the consent below, or do not return this form, it will be assumed you or a nominated emergency contact will be collecting them directly from the school.

Thanking you for your prompt attention to this matter.

Regards,

.....
