brim hat, appropriate  
clothes for outside play.

### **What to Bring:**

Small backpacks, water  
bottle and morning tea.

## Pre-Prep Information

Pre-Prep sessions run for 5 mornings during Term 3. Children are introduced to the routines and expectations of Prep. These sessions provide children and their families with their first experience of school life at Good Counsel Primary. Pre-Prep is a great opportunity for children to begin forming friendships, as well as for the teachers to start to get to know your child.

During Pre-Prep sessions, there will be whole-class and small group activities, both inside and outside the classroom. Pre-Prep children become a part of our school community; eating morning tea with the whole school, following bell times and visiting the library.

Pre-Prep is a fun and positive program that takes away some of the anxiety felt by students and parents when beginning the new school year. Children are familiar with the school environment and Prep staff, resulting in a successful transition to full-time schooling.

### **Pre-Prep Session Outline**

- Parent drop off and sign in
- Mat time routine
- Introduction to functional English and Mathematical concepts
- Small group activities
- Perceptual motor play
- Sand play
- Morning tea routine
- Shared story
- Parent pick up and sign out

Please contact the Office to collect  
an enrolment package to secure your  
place.
