There have been a number of questions in relation to clothing and the invitees. We have discussed these with the Year 6 classes.

Smart casual attire is perhaps the best summation of these discussions. Please do not go to added expense of purchasing new clothing simply for the evening.

All family members are welcome at the Graduation Mass. However, as in years past, dinner numbers are as specified above due to the venue size. Alcohol and soft drinks will be available for purchase in the function room.

Children will be expected to sit with their parents/carers for the duration of the dinner and presentations. We request that you nominate which families you would prefer to be seated with for the duration of the evening but please bear in mind this may not always be possible due to table sizes and numbers.

We recognise that there will be some sensitive personal arrangements which may sit outside of the family grouping mentioned above. This may happen where parents are separated and both wish to attend yet relationships are not conducive to proximal seating arrangements.

Should this be your circumstance, you must inform us, giving the relevant information and we will attempt to accommodate special circumstances, bearing in mind your child's best interests and the good conduct of the occasion.

The formalities of the evening will include:

- ❖ Welcome
- ❖ Grace
- ❖ Dinner
- ❖ Speeches
- ❖ Presentations to Year 6 children
- ❖ Slideshow

To assist with the catering of this function we need families to inform us as to the numbers and people attending on the night.

Accordingly, we will appreciate your payment by Wednesday 28th November, 2018. Money is to be placed in the envelope provided and dropped off to the front office.

Thanking you in anticipation.

Yours faithfully

Adrienne Worth & Maree Helm
