SEEK, LEARN AND SERVE

4th Sept, 2018

TERM 3 Week 8

Dear Parents/Carers,

Under the theme - Because of Her, We Can! - NAIDOC Week 2018 will be celebrated at Good Counsel Primary School this week.

As pillars of our society, Aboriginal and Torres Strait Islander women have played - and continue to play - active and significant roles at the community, local, state and national levels.

As leaders, trailblazers, politicians, activists and social change advocates, Aboriginal and Torres Strait Islander women fought and continue to fight, for justice, equal rights, their rights to country, for law and justice, access to education, employment and to maintain and celebrate their culture, language, music and art.

They continue to influence as doctors, lawyers, teachers, electricians, chefs, nurses, architects, rangers, emergency and defence personnel, writers, volunteers, chief executive officers, actors, singer songwriters, journalists, entrepreneurs, media personalities, board members, accountants, academics, sporting icons and Olympians, the list goes on. Sadly, Indigenous women's roles in our cultural, social and political survival has often been invisible, unsung or diminished.

For at least 65,000 years, Aboriginal and Torres Strait Islander women have carried the dreaming stories, songlines, languages and knowledge that have kept culture strong and enriched.

Aboriginal and Torres Strait Islander women cared for their families, maintained their homes and worked at breaking down cultural and institutionalised barriers and genders stereotypes.

They did so because they demanded a better life, greater opportunities and - in many cases equal rights - for their children, their families and their people.

Following our theme of NAIDOC Week, we have the stories of two great women whose work each day is often unseen but an integral part of our school.

Today we had at school possibly one of the most famous Australians to visit our students. Christine Anu entertained our community with song, dance and story. It was a wonderful experience and one our students will treasure for years to come.

Join us on Friday for our NAIDOC Prayer Assembly.

Regards *Liam*

BECAUSE OF HER, WE CAN!

Lorraine Tabua (*nee* Barlow)

Date of Birth: 17 July
Born: Atherton, QLD
Nationality: Aboriginal Australian

I started my schooling in the Atherton Tablelands at the Tolga State School. My parents and siblings moved down to Innisfail where my father and older brothers found work on the cane farms. I attended the South Johnstone State School where Mrs C and Mrs Croatto also attended. I then attended the Innisfail State High School. After finishing High School at Grade 10, I did a Business Course at Brandor Business. My first job was at BCC's as a checkout operator. From there I went to work at the Innisfail State School then to the South Johnstone State School, and then moving on to work at the Innisfail Special School as a teacher aide and doing office work. I began at Good Counsel Primary School working as an Assistant Librarian. It was here that I decided to become a teacher. I left the school and went to the Northern Territory to study teaching. After finishing my studying I moved back to Innisfail and was again employed by Good Counsel Primary School as a Home Liaison Officer. I have been employed here since 1994.

I enjoy, love and am passionate about my work here. Working with students and staff here at Good Counsel always inspires me to do the best I can do at my job.

I love spending time with my family, fishing, cooking and playing sports.

Maxine Watson (*nee* Murray)

Date of Birth: 2 February
Born: Normanton QLD (Gulf Country)
Nationality: Aboriginal Australian

I am a Kunjui woman. I grew up in Normanton and attended the local State School. We lived on Koolatah Station where my dad was the Head Stockman. We had a house provided by the Hughes family who owned the Station. While growing up, I worked at the main house as a domestic cleaner and sometimes I put the weather data on the School of the Air Station.

At 17, I moved to Cairns and worked at the Hyatt Hotel. I moved to Innisfail and worked at the Bamboo Café, married, and have four children and six grandchildren. I have been working at GCPs for 22 years.

The best part about living in Innisfail is that it is a beautiful little town, the rainforest and the sea. It is close to Cairns and Townsville. I barrack for the Cowboys, but I love all sports.
