TERM 2 Week 10

Dear Parents/Carers,

This Thursday, we will have all student reports uploaded to the Parent Portal. Access to the portal is via the Good Counsel Primary Website. Please take the time to read your child's report. To give you the best gauge of where your child is working in relation to the year level curriculum, many hours of assessment throughout the semester have been conducted, as well as the time teachers have taken to moderate grades between classes and formulate comments.

The following are some guiding points when sitting to read your child's report, taken from Michael Grose's Parenting Ideas Platform.

- * Before you open your child's report, are you in the right frame of mind?
- * Are your expectations for your son or daughter realistic and in line with their ability?
- * Don't compare siblings or your friends' children or yourself as a child, because children learn at different rates
- * Focus on your child's strengths
- * Take into consideration your child's effort and attitude to learning, not just the number of A's and B's
- * Discuss the report with your child, talking about strengths first before looking at areas that need improvement. Ask for their opinion about how they performed and discuss concerns

Should you have concerns with elements of your child's report, make contact with your child's teacher early next term to discuss. A reminder that a printed copy of student reports will be sent home during Week 1 of next term.

What wonderful weather we have enjoyed for our Athletics Carnival which this year has been spread out over three days concluding today. Friday was a sea of colour with students and staff dressed up for march past/

war cries, junior sprints, relays, ball games and tug-o-war. The spirit of the event being held here at school was electric with every student competing. Yesterday saw our senior students completing their field events and today their sprints, 200m and 800m events at Callendar Park.

Some trophies have been awarded (results below) with our overall trophy to be presented at the end of today. We will have Age Champions and the overall results in the newsletter next term.

Tug-O-War - Polding
Relays - Clancy
Ball Games - Clancy
Team Spirit - MacKillop

This week we have five past GCP students completing their GCC Year 10 work experience here. We welcome back Kaitlyn Onaindia, Olivia Laksa, Gurshaan Singh, Coen Mercer and Aiden Herbert and hope they have a wonderful learning experience.

During the holidays, Miss Kiara Adamson (Prep A) will be married. This is an exciting time and we all wish her well in her final preparations for the big day. When she returns she will be Mrs Ridolfi.

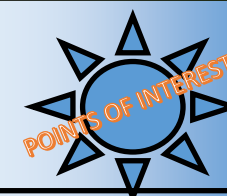

On the first Friday of next term, we will have Grandparents Day. This is an important event on our yearly calendar and we will be open to inviting all grandparents to school for our Year 6S special assembly; classroom visits and morning tea. Luckily our COVID restrictions relating to classroom entry and the serving of food have been further relaxed to allow this event to occur similar to past years. Save the Date - Grandparents Day Friday 16 July.

I take this opportunity to thank all our fantastic staff who have worked tirelessly during Semester 1 and of course our great GCP students who have also worked hard to a earn a well deserved mid-semester break.

END OF TERM PRAYER

We thank you Lord, for this term.

For the challenges, the successes, and the mistakes from which we have learnt.

Be with us as we spend our time with family and friends.

Give us strength and courage to do what is right; to be witnesses of our faith.

Help us to be practical these holidays, to appreciate what others do for us, to give time and effort to help others.

To be peacemakers in our family.

Keep us safe in our activities; give us good rest and good fun.

Bring us back refreshed and ready for a new term.

We thank you for our classmates, teachers, parents

And a community that cares for us.

May we be always conscious of you in our lives.

Amen.
